### JET BOYS | Jet patrol

Exclusive vinyl version of the Japan-only cd release with new artwork. 17 tracks (incl the "hidden" track). "Buckle your seatbelts.the Jet Boys are the long-standing dukes of Japanese pervo punk and never fail to impress with their revved up junkie rock and over-the-top graphic identity...a Japanese Mad Magazine punk combo with cool Johnny Thunders guitar licks and damn-the-torpedoes-full-speed-ahead attitude....willfully stupid Ritalin rock for you hyperactive children with expense accounts" (JH-MRR May 2004).
